Ausbil Investment Management Limited (ABN 26 076 316 473 AFSL 229722) (**Responsible Entity, Ausbil, Ausbil Investment Management, we**), in its capacity as responsible entity, advises that units in the following funds will be consolidated in the ratio 10:1 effective 13 December 2024:

On 22 August 2024, unitholders approved a special resolution to make amendments to the Fund’s constitution that provided Ausbil with

the relevant powers to operate the Fund as a Quoted Managed Fund (**QMF**). In preparation for the Fund's units to be quoted, and as foreshadowed in the Notice of Meeting to unitholders, Ausbil will be consolidating the Fund's units (**Unit Consolidation**), which will amend to the Fund's unit price and units on issue but has no impact to the Fund's value.

Effective on 13 December 2024, units in the Fund will be consolidated in the ratio of 10:1. That is, for every 10 units held by a unitholder, it will be consolidated into one unit. The Unit Consolidation will increase the Fund's unit price proportionately with the consolidation ratio.

Importantly, the value of any investment after the Unit Consolidation will not be less than the value of the investment before the Unit Consolidation. We will send a statement confirming the unit consolidation details following the completion of the process.

To process the Unit Consolidation in an orderly manner and to protect unitholders' interests as a whole, the Funds and classes of Funds listed above will not be accepting applications or redemptions on Friday, 13 December 2024, ie Friday 13 December 2024 is designated a non-transactional business day. **Where units in a class of a Fund are being consolidated and there are multiple classes within that Fund, 13 December 2024 will be a non-transactional business day for all classes in the Fund.**

Therefore, for these Funds, transaction requests received after 2.30pm (Sydney time) on Thursday 12 December 2024 and before 2.30pm (Sydney time) on Monday 16 December 2024, will be processed effective 16 December 2024 at the post-consolidation unit price. **Please note that we will not accept Calastone trades for these Funds after 2.30pm (Sydney time) on Thursday 12 December 2024 (which means any trades submitted will be rejected and the trades would need to be resubmitted) and we will recommence accepting Calastone trades from Monday 16 December 2024.**

For other Ausbil Funds, 13 December 2024 is a normal business day.
