

Insurance in Superannuation Key Facts Sheet.

This key facts sheet relates to our automatic insurance cover for Essential Super members (called Lifestage default cover).

Insurance can give you peace of mind, as it provides financial support to protect what's important to you when you die or have to stop work due to illness or injury.

We provide you with insurance cover automatically when you meet eligibility criteria, and deduct premiums from your super so you don't have to remember to pay for it.

Don't forget, your **insurance premiums will continue to be deducted from your super balance** even if you or your employer stops making contributions.

You can cancel or apply to change your automatic insurance cover at any time by logging on to NetBank, the CommBank app or by calling 13 4074.

What automatic insurance cover is included?

Terminal illness

Pays a Death benefit in advance if you're diagnosed as having less than 24 months to live.

Death

Pays a benefit to your dependants, estate or legal representative after you die.

Total and Permanent Disablement (TPD)

Pays a benefit if you're unlikely to ever work again due to illness or injury.

Note: The sum insured will only be payable for one event.

- For at least the first two years you won't be paid a benefit for a pre-existing condition (Limited cover). Generally, a pre-existing condition is an illness or injury that you were aware of at any time before your cover commenced or increased.
- Limited cover will end (and you will have full cover) if you're capable of working for 30 consecutive days:
 - immediately before the 2 year period ends; or
 - at any time after the 2 year period

What are your options?

Keep your cover

If you have been provided with automatic cover and decide that it meets your needs, you don't need to take any action.

However, it is important to review your insurance cover (including insurance you have elsewhere) when your circumstances change. For example, you change jobs, start a family, buy a property, or divorce.

View your type of cover, level of cover and premiums by logging on to NetBank, the CommBank app or by checking your member statement.

Cancel your cover

You can cancel your cover at any time by logging on to NetBank, the CommBank app or by calling 13 4074.

If you cancel your cover, insurance premiums will stop being deducted from your account.

You will only be eligible to make an insurance claim with us for events that happen before your cover is cancelled.

If you want cover later, you will need to apply. Cover is subject to the insurer's acceptance. Please refer to the Insurance Reference Guide at commbank.com.au/essentialinfo for more information.

Change your cover

You can halve or double your default cover at any time by logging on to NetBank, the CommBank app or by calling 13 4074.

When doubling your cover you will need to answer health and lifestyle questions. Cover is subject to the insurer's acceptance.

You can also apply for a fixed amount of cover called Tailored cover. You can hold Tailored cover in addition to, or instead of, Lifestage default cover.

Frequently asked questions

What if I need to claim?

Please call us on 13 4074 or email us. We're here to help you through the claims process so you know what to expect.

We will oversee your claim and help you through it.

Can I nominate beneficiaries?

You can nominate who will receive your super (both your account balance and any insurance benefit) after you die.

Please visit commbank.com.au/essentialinfo to download the **Death Benefit Nomination form**.

What if I change my super fund?

Before changing or consolidating super funds, please make sure you can get the insurance cover you need in your chosen fund.

If you have a medical condition or are over age 65, this may affect your eligibility for new cover.

Circumstances that may affect your insurance cover

- The amount of cover you receive depends on your age and changes automatically as you move into a new age band.
- If we don't receive a contribution or rollover to your super account for 16 consecutive months, we are required by law to cancel your cover (unless you have elected to keep your cover in these circumstances).
- If there's not enough money in your super to pay your insurance premiums this will result in your cover ending.
